

VICTORY RANCH

*Amenities Guide*

# Introducing The Barn

Our newest and most-anticipated amenity at Victory Ranch, The Barn is both a destination for recreation and fun and a retreat for relaxation and wellness. Inspired by the classic Western style barn house, this amenity features two adjacent structures — a Family Barn and a Wellness Barn. The first comes brimming with a pizzeria, ice cream shop, general store, sports court, game room and arts & crafts studio. The other serves as a restorative retreat with a fully-equipped fitness center, juice bar and spa, offering a full treatment menu and zen pool lounge. Outside, The Barn is home to an active 75-foot swimming pool with a hot tub and winding water slide, all surrounded by a tranquil stream and pond, a great lawn, bocce ball court, paddle tennis pavilion and tennis and pickleball courts.

## THE PARLOR & GENERAL STORE

The main level of the Family Barn is a destination for the whole family to escape. Here, The Parlor restaurant features a full-service bar, delicious handcrafted pizzas, gourmet sandwiches and healthy salads. An old-fashioned ice cream counter, too, serves up sundaes, shakes and floats. Adjacent to The Parlor is a well-curated General Store, where one can stock up on specialty Italian goods, fresh produce, meats, cheeses and more.

## GAME ROOM & SPORTS COURT

A true paradise for kids and teenagers alike, The Barn's game room features shuffleboard, ping pong, foosball and vintage arcade games, while the neighboring arts & craft studio is the perfect locale for kids to test their creativity in an array of camps. An indoor basketball court with a vaulted barn ceiling soaring more than 30-feet high is the ultimate spot for kids to play hoops indoors, dodgeball and more.

## FITNESS CENTER & SPA WELLNESS BARN

The Wellness Barn is a state-of-the-art haven for health and pampering and home to The Spa at Victory Ranch, a modern spa facility with massage and facial treatment rooms, a nail studio, men's and women's spa showers, lockers, saunas, steam rooms and a Zen Den featuring hot and cold plunge pools. The Fitness Center, too, features cutting-edge equipment for both cardio and strength training and lockers to store your items—all framed by floor-to-ceiling windows that reveal far-reaching views of the Victory Ranch Golf Course. Adjoining the Fitness Center is the JuiceBar, offering a healthy menu of fresh juices, smoothies, espresso drinks and tea to fuel your day or enjoy pre- or post-workout.

*To schedule fitness classes, please call Member Services at 435-785-5040.*

## SWIMMING POOLS & RECREATION LAWNS

The Barn features a large outdoor swimming pool wrapped around a formal hot tub. Surrounded by a spacious stone deck and grassy lounge area, this 75-foot long pool — with a spa and wet deck — is the premier place to cool off and socialize in the summertime. Adjacent to the Family Pool is the Grotto Pool, complete with a waterfall and an adrenaline-rush water slide. A meandering stream connects to the pond, which provides the backdrop for relaxing on the lawns. The Barn is a seasonal outdoor recreational haven, with two large lawns, a freshwater pond, grassy amphitheater, fire pits and stone bridges.

### TENNIS & PICKLEBALL COURTS

Located adjacent to The Barn are two tennis courts, available for members throughout the warmer months at Victory Ranch. The two courts can also be used for pickleball, a paddle ball sport that combines elements of tennis, badminton and table tennis. Grab a racquet or paddle and challenge your neighbors to a friendly or competitive match.

### PADDLE TENNIS & THE WARMING HUT

Our Paddle Tennis pavilion consists of two heated courts located just steps from The Barn's Warming Hut, enabling players to warm up by the fire and enjoy a drink before and after matches. The social and competitive game is a popular wintertime activity that follows similar rules as tennis but is played with a paddle on a smaller court. Adjacent to the courts is the Warming Hut, a beautifully-appointed indoor/outdoor lounge with a grand fireplace.
